# What can you find at the ADRC?

## Service: INFORMATION & ASSISTANCE

Specialists are knowledgeable about programs and services available for older people and people with disabilities and will help navigate the process.

## Access: BENEFIT PROGRAMS

Benefits Specialists will work with you as advocates to resolve issues you may have with programs such as Social Security, Medicare, and Medicaid.

## Support: DEMENTIA CARE SPECIALIST

The Dementia Care Specialist is available to work one on one with those with dementia and their caregivers, develop dementia friendly communities and train ADRC staff with the knowledge to provide supportive and caring services to customers with dementia and their caregivers.

## Stay Healthy

Learn about local education, prevention, nutrition programs and screening services to promote health and wellness.

## Transition to Adult Life

Providing assistance to you and your family as you transition from adolescence to adulthood,

## Find a Ride

Connecting you with access to transportation to reach your destination.

## Share your time to Help Others

Matching you with an opportunity to have a meaningful experience in your community.

## Options Counseling

Options counseling offers information about choices that are available to meet your long-term care needs. An options counselor discusses factors to consider when making long-term care decisions.

## Recieve Support

Offering information and assistance as you care for a family member, loved one, or neighbor.
